Toshiba Education Solutions empower Independent Christian Schools with cutting-edge technology and comprehensive support. Our mission is simple: to enhance the educational experience through innovative solutions that foster learning, collaboration, and growth.

Print Solutions

Our advanced printing solutions are designed to meet the unique needs of educational institutions. With Toshiba, you can expect:

- **High-Quality Printing** – Crisp, clear prints for all your educational materials.
- **Cost Efficiency** – Reduce printing costs with our economical solutions.
- **Sustainability** – Eco-friendly options that align with your school's values.

Service Nationwide

Toshiba offers unparalleled service across the nation and the Australia Pacific region. Our dedicated team ensures that your school receives:

- **Prompt Support** – Quick response times to keep your operations running smoothly.
- **Expert Technicians** – Skilled professionals who understand the specific needs of educational environments.
- **Comprehensive Maintenance** – Regular check-ups and maintenance to prevent issues before they arise.

Digital Transformation

Embrace the future of education with Toshiba's digital transformation solutions. We provide tools that enhance learning and streamline administrative tasks:

- **eARC** – Efficiently manage and archive electronic records with ease.
- **PaperCut** – Control and monitor printing to reduce waste and costs.
- **Global Print** – Access printing services from anywhere, ensuring flexibility and convenience.

Integration with Microsoft Teams and Google Suite

Enhance collaboration and communication within your school community with seamless integration of popular applications, such as:

- **Microsoft Teams** – Facilitate virtual classrooms, meetings, and collaborative projects with print, scan and retrieval of documents.
- **Google Workspace** – Utilise powerful tools like Google Docs, Sheets, and Classroom to support teaching and learning.

"We want our devices to be a gateway to access our online system, moving to a more paperless method for teaching and learning. We are looking forward to achieving our vision with Toshiba."

Maranatha Christian School

"We expected some resistance from users due to the dramatic reduction in hardware, but the teaching staff and students agree that the increased functionality they're getting from the software makes printing and document handling far more productive."
